

The Team National Business Exchange (TNBE) provides qualified Team National (TN) members the opportunity to expose their businesses to other members. TN members with a Premium membership and a TN Personal website can join the TNBE at no additional cost and reap the following benefits:

1. Receive a listing in the online TNBE Directory. This directory will be linked to the TN member website, TN Personal website, your business website, and your business email address. Members will be able to search for businesses in the TNBE by business name, category, keywords and location.
2. Increase exposure for the business. The most recent statistics show that the TNBE website pages are being searched over 80,000 times each month.
3. Showcase your business at a local Team National event.
4. Become eligible for a possibility of being 1 of 4 businesses featured on the monthly Big N Update electronic newsletter with a distribution of over 120,000 recipients.
5. Listen to our live monthly TNBE Conference Call (2nd Tuesday, 2:00 pm ET) and be eligible for selection as a guest speaker. This gives business owners the chance to discuss their business and some of the benefits they have received as a TNBE member.
6. Network (even host and sponsor) Team National meetings with other Team National and TNBE members in your area.
7. Post the free TNBE decal at your place of business and increase customer awareness.

“The Business Exchange benefit will be the most powerful program to unite businesses and thousands of customers from coast to coast.”

Requirements:

1. You or your spouse must own an active Premium membership (**Please Note:** If you are covered by a Premium membership, but are not the owner of it, you would need to purchase the Premium membership to cover your business and be listed in the Business Exchange.)
2. You or your business must own a Team National Personal website. If you do not currently own a Team National Personal website go online to place your order and then begin the application process.
3. You must email (TNBE1@bign.com) or fax (888-398-8134) a copy of a valid business license. If you do not have a business license, you may present documentation from a governing agency showing your city, state, or federal tax ID. Documentation must show your business name, so we can verify that your company is officially recognized as a business. In an effort to expedite your application, when faxing your business license, please include a fax cover sheet noting your name and ID number.

It is Easy to Apply

1. **Go on-line to www.bign.com**
2. **Click on Business Exchange**
3. **Click on Apply and fill out the application**

NOTE: Please Review all Restrictions Carefully Before Applying for the Business Exchange Requirements
